

<DATE>

Dear Pastor <NAME>,

I pray this finds you well. I don't have to tell you that sexual immorality is running rampant. Satan is having his way in the world around us, wreaking havoc on men's lives, in marriages and families. And, the sad fact is, this problem inside the Church is as bad as outside. Consider these statistics:

- 50% of Christian men are addicted to pornography (ChristiaNet survey)
- 20% of Christian women are addicted to pornography(ChristiaNet survey)
- 37% of pastors admit that cyber-porn is a current struggle(Christianity Today)

It's time for the Church to take a stand, break the silence, and fight back.

That's why we at _____ have partnered with Pure Life Ministries to host **A Call to Purity Weekend**. We believe weekends like these are important for Christians. The Weekend is an opportunity to come together, get real about their struggles and find what they are searching for: powerful answers found in the Word of God. Pure Life Ministries staff members, will be speaking at <Host Church Name> the weekend of <Month Date, Year>

Each "A Call to Purity Weekend" provides a consecrated atmosphere where God can touch people's hearts, deal with sin, and where genuine repentance and change can occur. Having overcome their own addiction to sexual sin, the Pure Life Ministries team relates to men (and women) at all levels of the struggle, and have a passion to see Christians live victorious lives.

It is our hope and prayer that you would stand with us. If you are interested in helping to support this event by attendance and prayers, please contact <Host Church Event Coordinator> for further information.
