

## **Hosting Details**

We realize that hosting an event like an *A Call to Purity Weekend* can seem overwhelming, especially for churches with more limited staff and resources. But rest assured, we've developed implementation tools that greatly simplify the process. By partnering with hundreds of churches over the years, we've learned how to insure a successful event without unduly burdening your church staff. The Pure Life Ministries Event Coordinator will guide and support church staff through every step of the process.

We equip host churches with everything needed to ensure a successful *A Call to Purity Weekend*, including:

- An Event Planning Guide for organizing and promoting the event, preparing spiritually, and providing follow-up activities
- Promotional materials, including a congregation-presentation-DVD, posters, bulletin stuffers, and even custom radio ads and public service announcements, if desired
- Books, leadership guides, and other materials to support small group studies and post-event discipleship.

A complete list and samples of the promotional items and other tools we provide can be found on our [Weekend Tools](#) page.

## **Participant Materials**

The *A Call to Purity Weekend* leads participants to see God's standard of purity in a new way, and inspires renewed commitments to leading a life pleasing to Him. We provide study materials to assist all participants in the weeks afterward as they learn to walk this out.

Male participants receive our flagship book [At the Altar of Sexual Idolatry](#) and the accompanying [Workbook](#). Married women receive [From Ashes to Beauty](#) which includes a comprehensive study guide, while single women receive [Create in Me a Pure Heart](#) and its accompanying [Workbook](#).

## **Costs Involved**

It is our heart to get this timely message of hope and purity out to as many churches as possible. With this goal in mind, we have tried to prevent Weekend costs from interfering with a church's decision to host an *A Call to Purity Weekend*.

Therefore, we do not charge a speaking honorarium, but instead receive love offerings for the support of our Ministry. In addition the host church is expected to reimburse our travel-related expenses.

Lastly, there is a nominal materials fee of \$10 per participant for the book and workbook each receives to continue his or her study of purity after the *Weekend*. We encourage host churches to charge a registration fee of at least \$10 per participant to cover the materials fee. The registration fee can be adjusted to cover any other costs the host church may incur.
