

Live-In Fee Schedule

There is no cost to apply for the Live-In Program. No funds are due until after you have completed the application process and an offer of admission into the Program has been extended to you.

After your acceptance into the Program has been confirmed, a \$2,000 Induction Fee is due. This amount must be received before your scheduled arrival. Payment of this Induction Fee secures your enrollment date in the Program.

In addition to the Induction Fee, residents pay a Program Fee of \$175 per week. This covers the full cost of their participation in the Program, including housing and most meals. Upon arrival at the Live-In campus in Kentucky, you must pay your first two weeks' of program fees (\$350).

Most participants will be employed during their time in the Live-In Program. We arrange employment, typically through a local temporary employment agency, and your earnings should be adequate to cover the weekly Program Fees.

If you have financial concerns, these should be addressed with the Director of Men's Counseling during your phone interview.
