

## Live-In Testimonies

It doesn't really seem like a program to me, it's more like a 6-12 month revival! Simply put, God IS PRESENT here. (*Jason – Greenwood, IN*)

I would strongly encourage a man to come to Pure Life Ministries — God is here! God is doing miracles, transforming hearts and lives. If you truly want victory—truly want to know Jesus in a deeper way than you have ever before; truly want to know the power that He holds to set you free — then Pure Life Ministries is the place to be. You will hear that “you are in the right place” because you will be! (*Rory - Red Bluff, CA*)

Pure Life Ministries has proven, mature leadership that knows how to deal with this issue. The atmosphere is one of deep, true spirituality where Christ and the Cross are pre-eminent. The staff practice what they preach and are true examples of disciples of Christ. (*David – Myrtle Beach, SC*)

At Pure Life, we are taught we can't have our sin and God also. There is such a passion in the sermons we hear. It's not just playing church. We are continually pointed to Jesus and the Cross for all the answers to our problems. I think of where my life might be without Pure Life and it makes me shudder. I probably would have lost everything that was precious to me. (*Lee – Payne, OH*)

My life was an absolute mess. I was struggling with homosexuality and drug abuse. This addiction enticed me to act out sexual upon thoughts that plagued my mind. I believe this program is successful because the leadership doesn't give up on pointing students to the Cross. They truly love the student body and really invest their lives in us. Pure Life has changed my life and has shown me to be needy for Jesus and not man. (*Kevin – Nampa, ID*)

The atmosphere at Pure Life Ministries is clearly bathed in prayer and full of the presence of God's Holy Spirit. I found all the staff to be helpful and genuinely concerned for the well-being and spiritual growth of the students. The counseling, teaching materials and sermons are all Christ-centered, that encourage and admonish the students to seek a life of purity and holiness finding victory in the cross of Calvary. Pure Life Ministries is successful due to the total reliance on God for the resources needed to fulfill its mission. Staff and leadership at PLM walk the walk—there is no evangelical fluff here. (*Randy – North Vasselboro, ME*)

This was the hardest thing that I have ever done. Having left my wife and two children at home to come, it was by the grace of God that He kept me here. It was God who gave me strength to endure and when I prayed to Him, He gave me a choice: Heaven or Hell? This program is successful because God is here awaiting those who truly desire to follow Him. Through the videos services, prayer groups and talk fasts, God moves in this place and changes lives by the power of His love. (*Luke – Kuna, ID*)

The atmosphere at Pure Life Ministries was just what I imagined it to be: a quiet, tranquil place to get away from the influence of the world; a holy place that allows you to seek God on His terms. I want to thank God for making a place like this because it is truly an answer to the prayer of my heart and many others who want to be free but don't know where to turn. *(Jeremy – Williamstown, KY)*

When I arrived at Pure Life Ministries, I was not very sure of what I was getting myself into. I was so full of darkness and was blind to the fact that God's presence was here waiting for me. But the longer I stayed and just waited, the more I began to feel the presence of God in this place—His presence is what grabbed a hold of me [and led] me to repent of my sins. *(Matthew – Corbin, KY)*

I can't envision how I would have realized the enormity of my sin-concealing pride had I stayed at home. The Pure Life Ministries campus is an ideal chance to get somewhat out of the world and really encounter Christ—everything is geared towards it. Men like us often need to be removed and put in this type of environment to slow down enough to see things clearly. *(Jeffrey – West Chicago, IL)*

The presence of God permeates the grounds and atmosphere. The focus goes immediately from the fruit (sexual sin) to the root and is dealt with at that level. There is a willingness in the staff to be vulnerable about their own struggles yet always pointing to the cross as the answer. *(Richard-Rickman, TN)*

Pure Life Ministries is a sanctuary. God is here and uses everything to orchestrate His work on every individual. Every answer is "Jesus." *(Greg – Norcross, GA)*

Before coming to Pure Life Ministries, my life was a big lie. I was a minister addicted to masturbation, pornography, and sex chatting on the internet. I'm different today only because of the mercy that God has shown me. He opened my eyes to my sinful nature—to see my hypocrisy, greed, pride, lust and etc. and loved me anyway. I'm different today because I have a real picture of Jesus on the cross and His love for me. I really met God at PLM. *(Tony – Warrenton, OR)*

Life is here. Restoration is here. Deliverance is here. Healing is here. Jesus is here. This is truly holy ground, God's hospital, where Jesus performs supernatural surgery on anyone who will humble themselves. *(Pat – Sarasota Springs, NY)*

The atmosphere is like a refuge of life and a gold mine of transformation through Jesus. To me it has been a hiding place under the wings of our Father. My program has been about Christ, His power to heal, and His exultation. The Cross is the center and ultimately Jesus is all in all here. This is why I believe the program is successful. *(Anthony – Dallas, TX)*

I was empty because of my sexual sin and all the religious work I was doing for Him, but the ministry of Pure Life Ministries pointed the way to God's mercy and love for me. I can testify that if you surrender to His will of mercy, you will leave with a resurrected life. *(Eric – South Hamilton, MA)*

The atmosphere at Pure Life Ministries is extremely sobering. In some ways very peaceful with all the spiritual warfare around us, but Christ is ever so present. This program is successful because it is completely biblically based with a structured curriculum to point everyone to Christ. *(Todd – Delaware, OH)*

The atmosphere at Pure Life Ministries from the moment you arrive forces abandonment from all your identities to focus on Jesus. I am grateful that God made the cross real to me and showed His love for me as an unfaithful bride. Now Jesus has captured my heart! *(James – Dallas, TX)*
