

## Overcomers At-Home Program Application Process & Fee Schedule

### **Application Process**

If you'd like to enroll, please begin by downloading an application packet for the Overcomers At-Home (OCAH) Program in our [Application Center](#), or by calling 888.PURELIFE to receive your packet by mail. There is no charge for the application packets.

The application packet is primarily for information gathering purposes, as our At-Home Program is open to all who are able to commit to the program guidelines. These simple guidelines are explained in the application packet.

Upon receiving your completed application packet, our OCAH Counseling Coordinator will contact you by phone. He will handle any financial details or payment arrangements with you, answer your questions, and provide additional information about getting you started in the program.

Typically, your materials and instructions for setting up your initial counseling appointment arrive within 7-10 business days after we receive your application packet (mail to international residents may take longer to arrive). However, we do not process your payment until we are able to assign you a counselor and get you started in the program. On rare occasions we may have a waiting list for the At-Home Program, in which case you will be notified by our OCAH Counseling Coordinator.

### **Fee Schedule**

The cost of our Overcomers At-Home Program, including the fees for all audio messages, books, and homework materials is \$1,000 for individuals and \$2,000 for married couples.

**Individuals:** an initial payment of \$400 should accompany your application, with the remaining \$600 paid in two additional installments of \$300 due on or before the 5th week and the 9th week of the program, respectively.

**Couples:** an initial payment of \$800 should accompany your application, with the remaining \$1,200 paid in two additional installments of \$600 due on or before the 5th week and the 9th week of the program, respectively.

**Special Savings:** For those who pay the entire amount in advance, the cost is discounted to \$900 for individuals and \$1,800 for couples.

To get started as an Overcomer At-Home, simply mail in your completed application, along with a check or money order for either the full payment (\$900 per person), or your initial payment (\$400 per person).
