

Overcomers At-Home Men's Testimonies

It was very successful. It brought me from death to life. God used this program to show how powerful He is and that He truly does exist and is always in control. He let me experience that there is freedom from sin, darkness, depression, pride and addictions. (*Jacob—Gaffney, SC*)

Thank you Pure Life Ministries! I am not the same man my wife married 10 years ago. For the first time in my marriage, I know I love my wife. (*James—New Richmond, WI*)

It awakened me to my need to know God and be ever more obedient and know His voice more than ever. (*Charles—Clarkston, MI*)

The program not only helped me to establish a real relationship with Jesus but they also gave me plenty of tools to be able to defeat sexual temptations before they overtook me. (*Jason—West Falls, NY*)

I would urge anybody that has a problem with sexual sin to call Pure Life and go through the OCAH program. It has changed my life, my marriage, but most importantly, shown me that Jesus is the answer to my problems. (*Daryl—Kerman, CA*)

It was the discipleship aspect that made it successful for me. It showed me the importance of walking in the Spirit daily, being thankful, doing mercy and serving others. (*Joshua—East Petersburg, PA*)

This program changed my view of sin, and how I viewed God. (*Jorge—Miami, FL*)

I found freedom in Christ, and a closer relationship with Christ. (*Daniel—Gowantstown, ON*)

It showed me what was missing in my life and what I had taken for granted. Jesus was missing. (*Eric—Boothwyn, PA*)

It got me out of the dark. I realize how totally immersed I was into my secret sin. Without this program, I would still be in hiding today. (*Timothy—Erie, PA*)

This program with God's Word has renewed my mind and restored my marriage. I am free. Praise Jesus! (*Jonathan—Sacramento, CA*)

It made everything about Jesus. By God's grace, I am now able to walk in this realization. This has taken the focus off me, which is never good, and has moved it to Jesus. (*Bernard—Chicago, IL*)

It truly presents what it means to be a disciple of Christ and encourages and challenges the participant to make the full commitment to be a real disciple of Jesus. No nonsense. No compromise. The pure Word. Pure mercy of God to make men into real men, men of God, overcoming men, true to God to the end. (*Paul—Kansas City, MO*)

This program was extremely helpful because it reinforced the teachings of God and learning to walk the Word, not just memorizing it. It helped me notice my bad habits and how to be aware of subtle disobediences to God. (*Richard—Apollo Beach, FL*)

This program exceeded my expectations. I would encourage anyone to take the course, and urge them to focus on their relationship with God first and foremost. (*Michael—Milbank, SD*)
